About this Financial Services Guide

The information in this FSG is provided to help you decide whether to use our services. As a client, or potential client of Nestor Wealth Advisory Pty Ltd, you have the right to ask us about our service, the type of advice we give you, and what we expect to be paid for giving that advice and/or service. You also have the right to know what you can do if you have a complaint about our services. The distribution of this FSG has been authorised by Financial Masterplan Pty Ltd, the licensee.

How we provide our services

We are required to collect sufficient information from you before we make recommendations regarding financial products. Your adviser will ask you to complete a Client Data Collection form before providing any services to you. Your adviser may also collect copies of statements for any existing Financial Products that you own.

We will only recommend a financial product to you after considering its suitability based on your individual investment objectives, financial situation and needs. Our advisory services include ongoing reviews of your financial situation, your progress towards achieving your goals, your portfolio performance, insurance needs and any new goals or objectives as agreed.

We will provide you with a Statement of Advice (SOA) whenever we give advice that is likely to influence your decisions regarding the acquisition or disposal of financial products and takes into account your objectives, financial situation and needs. The SOA will contain the advice, the basis on which it is given and information about fees, commissions and associations which may have influenced the provision of the advice.

In the event we make a recommendation of a particular financial product (other than securities), we will also provide you with a Product Disclosure Statement containing information about the product, which will enable you to make an informed decision in relation to purchasing that product. This is usually provided electronically.

It is important that you read all the documents that are provided to you so that you can make an informed decision regarding accepting our recommendations and advice.

We prefer that you provide all instructions to us in writing (email is acceptable) however we may accept telephone instructions in some circumstances.

Who is your adviser?

Your adviser is **Lynn Nestor**, an Authorised Representative of Financial Masterplan Pty Ltd.
